

ROBINSON HIGH GUN AT DEEP RUN SHOOT

His Average for the Day 91 Per Cent, With Run of Twenty-Five.

CHAMPIONSHIP GOES OVER

The Deep Run Hunt Club held an important shoot yesterday, and ten shooters faced the traps—a very good attendance, considering the weather. Robinson carried off the honors, breaking twenty-five straight and ninety-one out of 100. Richmond was a close second, with ninety. Harrison did some remarkable shooting, breaking forty-four out of fifty, the best score he has made this season. It was expected that the championship of Richmond would be pulled off yesterday, but owing to the small attendance this was postponed until a later date, when it is expected that more of the crack shots will be present to compete. This honor is coveted by many, for Richmond can boast some of the best amateur shots in the country, and their scores equal the best experts in the business. It was regretted that Mr. Lawrence, the winner of high average and the medal offered by the Richmond Gun Club, was unavoidably prevented from being present at this shoot. Mr. Lawrence is a young shooter, but has done a great deal towards promoting trap-shooting in this section, and is always ready, financially and otherwise, to aid the sport.

"Old Jim" Anderson, representing the U. M. C., was present, and acted as scorekeeper, and the boys gave him the glad hand. Walter Shackelford made his appearance at the traps again, and demonstrated that he is in the game by breaking eighty-six out of 100. The scores follow:

Robinson 50 100
Richmond 45 90
Brown 42 86
Medico 42 86
Fairfield 42 86
Walter Shackelford 42 86
Harrison 44 88
Parker 40 81
Monty 38 76
Jones 35 70

CAROLINA A. & M. WINS CLOSE GAME

(Continued from First Page.)

making a first down on A. and M.'s fifty-yard line. In the next scrimmage Richmond was thrown for a loss, and lost the ball on a fumble. The Carolinians tried right for four yards, but on the next scrimmage the runner was stopped before he could run the ball around left end, ran forty yards, fumbled the ball, but falling on it when it rolled over Richmond's goal line. The ball was brought out and a try for goal failed. Score: A. and M., 5; Richmond, 0.

The teams then changed goals, Richmond taking the east, and Lankford kicked off to Stephens on his twenty-five-yard line, but the Carolinian was stopped before he could run the ball back. After twice hitting the Richmond line without gain, Stephens punted to midfield, and Atkins, who received the punt, was thrown in his tracks. Richmond tried through tackle and smashed out four yards. On the next line-up the ball was fumbled, and Carolina got it on their fifty-yard line. Johnson gained ten yards around left through the line, and another attempt netted four yards. A play through left tackle and another in the line netted but five yards, and the ball passed to Richmond on downs on their fifteen-yard line. The ball was too close for safety, and Atkins got off a pray punt to the Richmond fifty-yard line, and Stephens was downed after running it back only three yards. After forcing the ball to the Richmond twenty-five-yard line, Thompson tried a goal from placement, but failed, the kick falling short.

Walter got the ball on his ten-yard line and ran it back ten yards through the whole line. It was then that the Richmonds made and the ball over Richmond's line, a safety, making the visitors' score 7.

The ball was brought out and punted to the center of the field. On the first line-up Johnson rounded left end for thirty yards, but the ball was brought back and A. and M. penalized for holding. Carolina then kicked to Lankford on Richmond's twenty-yard line, and he ran the ball back, nearly thirty yards. Richmond could not gain the ball, and Carolina's twenty-yard line. Richmond was penalized a moment later, losing five yards for off-side play. Richmond tried an on-side kick, but A. and M. got the ball. Thompson circled left-end for twenty yards and three more were added on the next try. Time was called with Carolina having the ball on Richmond's thirty-yard line.

Second Half.

Carolina, defending the west goal, kicked off to Richmond in the east goal. Atkins returned the ball five yards. Then, for the first time in the entire game, the forward pass was tried, Atkins leading the ball to right end, who made twenty yards, landing the ball on the Richmond forty-eight-yard line. Atkins then punted to the A. and M. twenty-five-yard line, and the Carolinian receiving the punt was thrown without a yard gain. Carolina immediately returned the punt, sending the ball to the Richmond forty-five-yard line. Failing to gain, Atkins again punted to A. and M.'s forty-yard line. Stevens attempted a punt, but missed the ball, and a Richmond player fell on it. Richmond tried the forward pass to Wright, who landed eight or ten yards. Atkins then landed a beautiful goal from the thirty-yard line, making the score 10 to 4 in Carolina's favor.

A. and M. kicked to Richmond's 25-yard line, and on the first line-up Richmond failed to gain and punted to right end. Then sent James Lawrence to right end, gaining twenty yards. Right end was then shifted to the left, and the forward pass again ensued, but failed and lost fifteen yards. Car-

olina then punted to Louthan, his 30-yard line, and Atkins returned the punt to the Carolina 45-yard line. Carolina again punted to Richmond's 40-yard line. Louthan rounded left end for twelve yards. Two tries in the line failed to gain, and Atkins punted to Carolina's 25-yard line. Beale dropped back and tried a place kick for goal, but the kick was blocked, and A. and M. recovered the ball, but with a loss five yards.

Carolina punted to the north side line at Richmond's eight-yard line. The next attempt netted only three yards, and on the third down the Carolina runner was thrown for a loss of eight yards, and it was Richmond's ball. Atkins punted to the forty-yard line. A. and M. tried the forward pass to right end, but dropped the ball, and Richmond's end fell on it. Atkins punted to the A. and M. forty-five-yard line. A. and M. tried a quarterback kick to the right side, but a Richmond man fell on the ball when it was fumbled and bounded backward. Richmond tried the forward pass to left end and made ten yards. The next attempt in the line netted little or no gain, and Atkins again attempted a drop kick for goal, the ball sailing high above and just to the south of the goal post. It was a close shave, but missed the mark. The ball was brought out and punted to Richmond's fifty-yard line. Richmond made fifteen yards by a forward pass to left end and then tried an end run without gain. Just at this moment the whistle sounded the end of the game.

The line-up and score follow:
A. & M. Positions: Richmond Col. James left end Wright Stroud left tackle, Thrayes (Capt.) Sykes left guard, Stringfellow Thompson center Timm Van Clabe right guard Jones Boche right tackle, Robinson Sadler right end Duval Stephens quarterback Atkins Johnson left half Langford Long right half Louthan Thompson (Capt.) fullback Waite Backers: Mr. Nelson Robins (V. P. I.); Empire, Mr. C. P. Robins (V. P. I.); Head Linesman, Mr. Randolph Garza. Touchdown, Stevens; goal from field, Atkins; safety, Richmond; goal missed, Thomas. Time of halves 25 minutes.

CAROLINA SHOWS WELL

Men in Good Form and Forward Pass Plays Successful.

(Special to The Times-Dispatch.)
CHAPLAIN, N. C., October 12.—The University of North Carolina defeated Oak Ridge Institute in a game of football here to-day by a score of 15 to 0. The game, while one-sided, was interesting from the fact that it was the first opportunity that the students have had of seeing the team play in a match game.

The features of the game were forward pass plays by Carolina, practically all of which were successful, and the individual playing of Davis, Mann and Williams. The game was a work for Oak Ridge, but the inability of his players to hold in the line prevented him from making long gains. At no stage of the game was Carolina's goal in danger. The line-up:
N. C. Position. Oak Ridge. Parker center Whitaker (Capt.)

Powell right guard Abernethy Thompson left guard Adams (Perguson)
Dunn right tackle Turlington Rogers left tackle Thomas right end Williams (Walworth)
Davis left end Jarman (Wiggins)
Mann quarterback Hooks (Beldin)
Williams fullback Brown (Williams)
McNeill right half Moore (Crosswell)
Dunn left half Davis (Empire)
Simmons Time of halves—15 and 20 minutes.

ST. ANDREW'S FORFEITS.

Falling to Appear, Football Game & Given to Petersburg.

(Special to The Times-Dispatch.)
PETERSBURG, Va., October 12.—Because of the failure of the Richmond boys to put in an appearance, the football game, to have been played between the Petersburg High School team and the St. Andrew's School team, of Richmond, at the Riverside Country Club grounds this afternoon, was forfeited by Referee Pritchard to the Petersburg team. Manager Shepherd, of the locals, says that this was a great blow to the St. Andrew's School team, for a game this afternoon, and has heard nothing of the reason for their non-appearance.

HAMPDEN-SIDNEY SHUT OUT.

Beaten by the V. P. I. at Blacksburg by the Score of 18 to 0.

(Special to The Times-Dispatch.)
BLACKSBURG, Va., October 12.—V. P. I. defeated Hampden-Sidney at football here this afternoon by a score of 18 to 0. Although the game lacked sensational features, it was hard-fought throughout, the Presbyterians holding the Techs down to a score considerably less than was expected. Nutt, former V. P. I. player and ex-captain, is coaching the visitors this season, and this fact added greatly to the interest in the game here. His men did him much credit.

Umpire, Dalzell; Referee, Sampson. Time of halves, twenty minutes.

VIRGINIA DEFEATS GALLAUDET BADLY

(Continued from First Page.)

and Gallaudet returned the kick. Crawford caught the ball and sprinted eighty yards before he was downed by Sharp, after a brilliant tackle, on Gallaudet's seventeen-yard line. On the next play Ned plowed his way through the line unaided for a touchdown.

During the remainder of play in the first half the Kendall Green team made its best showing on the offensive. A forward pass netted twelve yards, and Sharp plunged through the left side of Virginia's line for ten more.

After Hume had landed his goal, five minutes after the beginning of the second half, Virginia settled down and finished unscathed strong, scoring three touchdowns in rapid succession. The plays were gotten off rapidly, free-throwing before the mutes could line up after a scrimmage. The feature of the play in the second half was the splendid work of Hume, the freshman from Woodberry Forest. On one occasion he caught the ball on the kick off and returned it fifty yards. Later he made substantial gains by line plunging. When the whistle blew at the close of the second half Virginia had an entire substitute team on the field. Gallaudet had in only one substitute. The line-up follows:

CHICAGO WINS GAME AND CHAMPION HIP

(Continued from First Page.)

off Slever and Killian, who replaced him. Chicago won 5 to 1.

On Friday the game was played in Detroit, but Chicago won its third consecutive victory, and its most decisive one, the score being 6 to 1. Donovan and Overall were the pitchers, and both were in great form, Detroit getting but six hits to seven for Chicago. In the entire series Chicago has scored nineteen runs for six for Detroit, made forty-two hits to thirty-nine for Detroit, and six errors to nine for Detroit. It would seem to nine for Chicago, therefore, that Chicago's triumph was won by better ball playing and that the element of luck nowhere figured.

SUTTON IS AFTER BILLIARD HONORS

George Sutton is Willing to make an attempt to regain the laurels and the diamond-studded emblem of the 181 balk-line billiard championship, and is challenging Jacob Schaefer to another match. Schaefer won the emblem from him last March. He has posted a forfeit of \$250 with the Brunswick-Balke-Collender Company, of New York, the donors of the emblem.

Schaefer has the option of naming the city where the game will be played, and is expected to decide on Chicago, St. Louis or some other Middle-West city. The match will be for \$500 a side and the world's championship. According to the terms governing the championship, Schaefer must reply within ten days.

Both of the experts are now in practice for their forthcoming match, to be played at Oranstrahl Hall, Chicago, November 3th. This is for the 182 championship held by Sutton, who won it from George Slosson October 19, 1906.

Among the interested spectators of the match will be three different men during the week, as Fisher, of Baltimore, handled the flag on three days, when he was deposed on account of incompetency; then Johnson, the big red-faced Pennsylvanian, who has proved a success in caring for race tracks, took up the Baltimorean's task, but with poor results; then it was that Bernard Dowell, whose fire has been spent with the runners, came in and did good work on Friday and Saturday.

the harness races during the week was S. A. D. Gwathmey, formerly of this city, of New York, who owns the champion trotting race gelding Tiverton, 2:04 1-2, and other harness horses of note. Mr. Gwathmey ranks as one of the ablest gentlemen drivers in the country, and being possessed of means to gratify his tastes has owned more great harness horses probably than any other Virginian. Samuel McMillan, the New York Congressman, also came down to see the gelding Bonatcher, take part in the Richmond stake, purse \$2,000 for 2:16 trotters, but the shapely Arion gelding had to be content with third money. Charles D. Dwyer, the wealthy Washington contractor, also spent several days. The latter's horses are trained by Robert Brawley, who worked the fast green trotter Florence C. a mile in 2:10 1-2. Florence C. is by the late George D. dam Grace, by General Wilkes, and was purchased at Norfolk, Va., at an auction sale in 1906 for \$525, just about one tenth of her present value.

Dugan to week's stand was filled by John A. King, of Syracuse, N. Y., as presiding judge, with Robert Ireland, of Wilkesbarre, Pa., and W. J. Carter, as associates, while Charles J. Perry, of Elizabeth, N. Y., and T. H. Rippard, of Wilkesbarre, Pa., did the timing. Philip A. S. Brine, as on many former occasions at Richmond race meetings, was clerk of the course. Fred A. Upton, of Rochester, N. Y., started the harness races, and his work gave general satisfaction. Manager Theodore H. Coleman was also strongly in evidence. A. J. Keating, of Englewood, Pa., who had been released and went to Lexington, Ky., instead, but Mr. King, who is thoroughly conversant with the rules, filled the position with ability, while Fred Upton's work as starter ranked among the best ever seen here.

In the harness classes the most successful of the local contingent of trainers was William L. Bass, who got second money in one race and third in another with the pacing gelding Tom Littleton, whose record was reduced from 2:17 1-4 to 2:15 1-4. Bass has the son of Santa in fine shape, and certainly the chestnut gelding looks well indeed for a horse that has campaigned right through the season and been a contender in many races.

Littleton performs without hobbles, too, which is a credit to Bass, as the usual appearance of the straps in one of the bughers of the harness turf.
